

BALLATER ROYAL HORTICULTURAL SOCIETY TREASURER'S REPORT

Year to 30th September 2020

Funds as at 1 st October 2019	£9,251.62
Funds as at 30 th September 2020	£8,071.44

In common with almost all Societies and Clubs, we have been unable to hold most of our events this year, in particular the Plant Sale and the Flower Show. So the Society's financial position shows a deficit of £1180.18. However this is less cause for concern than it might be, as we still have reserves of over £8,000. Note however that mainly thanks to the Secretary some sponsorship was paid and some plants were sold.

Annual Subscriptions if ever we have meetings where they can be collected will be, as last year, £10. Associate Membership at £5 is available for Floral Art Members and those who wish only to submit for the annual Flower Show or Plant Sale. Guests' admission would continue at £3 a meeting.

I look forward to being able to collect £10 subscriptions.

Neil Allan

Hon Treasurer
